German Startups Group - We Love Startups!

The German Startups Group, a publicly traded company comprises one of the leading VC providers in Germany in Berlin. With a focus on Germany's young, fast growing companies - so called startups - the company acquires majority and minority shareholdings by providing venture capital. The core investment focus is on those tech companies whose products or business models include disruptive innovation, allow for a high degree of scalability and are run by strong entrepreneurial management teams. Since it commenced operations in 2012, German Startups Group has built a diversified portfolio of stakes in such companies and has become the most active private venture capital investor in Germany (CB Insights 2015, Pitchbook 2016).
